

**TO: KANSAS LIMOUSIN BREEDERS
FROM: JERRY MEEK**

REGARDING: 20th ANNUAL SPRING SALE- SUNDAY- APRIL 1st, 2012

Please find the enclosed entry forms for the upcoming KLBA Sale in Salina on Sunday, April 1st, 2012. Please fill them out and send them back to me as soon as possible, along with your entry fees, registration papers, performance papers, Fall 2011 EPD's (you can obtain these from NALF), and any footnotes or pictures you would like to be included in the catalog. If the females are bred be sure to include the name and registration number of the sire that the female is bred to.

IF AT ALL POSSIBLE PLEASE CALL ME AND LET ME KNOW WHAT YOU PLAN ON CONSIGNING AS SOON AS POSSIBLE, AS IT IS VERY HELPFUL IN SETTING UP OUR ADVERTISING. The deadline for Limousin World and Heartbeat are around Jan. 25th.

With the cattle market the way it is, it is even more important that you consign high quality young stock that anyone would be proud to own. Your old culls, and cattle with less than desirable EPD's or other attributes, will probably net you more dollars at a local sale barn, as the commission is considerably less at a sale barn than at a State sanctioned sale. We are limiting the number of bulls to 35 (thirty-five). In order to have a decent sale with acceptable commission rates; we must have in addition to the bulls, another 50 to 80 quality females.

We would encourage all bull consignors to provide scan data for their bulls. Trish Bruel of Wellsville, Ks would be a good choice of scan technicians for the eastern part of the state. Her phone # is 785-229-5174(cell) If we have enough interest, we could set up a date and place at a centralized location. This would help lower the cost for set-up and mileage that she charges.

The cattle should be at the sale barn no later than 1 P.M. on March 31st due to the activities being planned for the annual meeting later in the afternoon.

If anyone has any suggestions on the sale, as to how we can improve it please let me know. The money that we spend on advertising is yours, and we need to know your suggestions on when and where to advertise. Any comments or suggestions on the catalogs, and when and where we send them, would be appreciated. I would like to ask that if anyone would like to assist in putting these sales together, to please let me know so I can include your name on next year's sale committee.

Please direct any comments or suggestions for the sale to one of the following committee members.
